We love musical instruments, but there's also an unique sound and beauty to A Cappella singing!

You may remember the "Motown Sound" from the 1960's and 1970's. Many of the vocal groups were dressed to the hilt, sang great harmonies, had an upbeat attitude and very hip choreography.

Come on over to the Well for an uplifting evening of entertainment, inspiration, and encouragement by the Community Men's Choir from the New Haven area.
